**The Texas Myotonic Show Down believes in preserving the past while we look towards the future.**

The Texas Myotonic Show Down welcomes all participants and visitors. Our goals are simple. We believe in:

- Preservation of Myotonic goats, an American heritage breed that reflects our ranching heritage.
- Education with the offer of free workshops for all interested people.
- Community Support with the development of a scholarship program for students interested in pursuing a degree in DVM and/or Vet Tech specializing in small ruminants.

We can accomplish these objectives through business and sponsorship offerings as well as the sale of our cookbook, **G.O.A.T., Greatest of All Times Cookbook, A Celebration of Goats.**

This 46-page soft cover, coil bound home publication is just \$15.00. Copies can be found at the registration table.

**Thank You!**

The Texas Myotonic Show Down appreciates all its exhibitors who are willing to travel the distance to enter their goats in the spirit of friendly competition. We share the common goal of striving towards excellence in our herds. Finally, we thank Tara Lawrence of the Myotonic Goat Registry. We know the hard work entailed to get folks registration papers so that they could attend the show and make it a success.
