Do you currently own Myotonic goats? If so, what is your primary herd focus (breeding stock, show stock, pets, market animals)?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Do you show Myotonics with MGR? If yes, what divisions (bucks, does, platinum wethers, market wethers) do you exhibit in? How long have you shown with MGR?

---

---

---

---

---

What awards/titles/accomplishments have your goats received with MGR?

---

---

---

---

---

---

---

---

---

Do you have any mentors within MGR that have helped you? If yes, please list:

---

In your opinion, what are the most important sections of the MGR Scorecard as a useful tool to evaluate Myotonics? Why are these sections most important to you?

---

---

---

---

---

---

---

---

---

---

---

Do you think disease testing is important? Why? What diseases do you suggest testing for as a positive herd management practice?

---

---

---

---

---

---

If you own goats, regardless of breed, is your herd tested for disease? What diseases do you test for? How often do you test?

---

---

---

---

---

How would you respond if someone asked you about testing and if it was an important herd management tool?

**Judging Experience**

Are you currently a certified Judge with other Goat breed registries/associations? If yes, which registries/associations and for how long?

---

---

---

---

---

Please tell us about any other Livestock judging experience.

---

---

---

---

---

What qualities do you possess that you believe would make you a good MGR judge?

---

---

---

---

---

Why would you like to become a judge for the Myotonic Goat Registry?

---

---

---

The Myotonic Goat Registry motto is "Its All About Preserving The Breed". How will you as a MGR Judge help to preserve the breed and promote it based on the breed description and scorecards now and into the future?

---

---

---

---

---

The Myotonic Goat Registry **does not** allow “bracing” of goats or abusive treatment while they are being shown in MGR Sanctioned Shows. What would you do if an exhibitor was bracing or using abusive treatment of their goat in the show ring while you are judging?

---

---

---

---

---

---

The Myotonic Goat Registry **does not** allow Platinum Wethers to be shown with a prong/spike/pinch collar. What would you do if an exhibitor was showing their wether in a show in which you were judging, using a prong/spike/pinch collar?

---

---

---

---

---

---

The Myotonic Goat Registry promotes good sportsmanship among exhibitors at all times. What would you do if an exhibitor was using un-sportsman like conduct towards another exhibitor or you as the judge in a show in which you were judging?
